

On the beautiful campus of Rabun Gap-Nacoochee School in the North Georgia Mountains, YMCA offers week long residential opportunities to young people from all areas of North Georgia. Located 90 minutes north of Atlanta, the camp runs from the second week of June through the end of July.

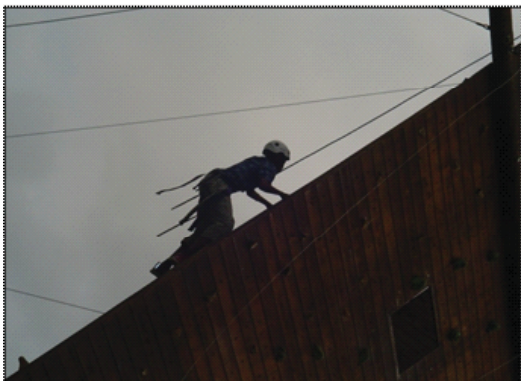

The lake offers use of the blob, waterfront docks, swimming, a 100 foot waterslide, and personal water craft pulling inner tubes. In addition, Rabun Gap provides the opportunity of a Water sports program.
