## 2010-11 Upper School Course Work Book List

**Dear Upper School Parents,**

This booklist has been generated to help support our families who wish to purchase textbooks prior to the beginning of the school year either on-line or through used booksellers. ***We will continue to carry new and used (when available) copies of all course texts in our campus bookstore for you and your child's convenience.*** Please note that we cannot guarantee that all of the texts on this list will be those used throughout the year. If and when changes occur, we will ensure that the new texts are stocked and available to our students on campus. If you have any questions or concerns about this booklist or Rabun Gap's policies regarding course texts, please feel free to contact me or Mina Brown, who manages the bookstore inventory. The bookstore opens on August 2nd for anyone wishing to stop by and purchase their books and uniforms prior to registration. We hope you find this information useful and look forward to another rewarding year!

Sincerely,

David Landis  
Upper School Head
